## **FOR IMMEDIATE RELEASE**

### **UPDATE ON COVID-19 SCREENING** **AKOSOMBO INTERNATIONAL SCHOOL**

Further to our Press Statement on the COVID-19 screening exercise that was undertaken at the Akosombo International School for students and staff, we wish to provide the following updates on the situation:

- Currently all Staff and Students have been screened
- Those who tested positive are doing well under the management and treatment of the VRA Medical team.
- Precautionary measures such as temperature checks, social distancing, handwashing and sanitizing continue to be observed with strict adherence.
- A Shift System for students has been adopted to curb the spread of the infection.

We wish to re-assure parents and the general public that they must continue to remain calm. We shall give periodic updates on the situation.
